The Court at the stage of admission made the following :

<u>O R D E R:</u> (Per the Hon'ble Sri Bilal Nazki, ACJ):

The order dated 26-10-2004 has been challenged, by which the land has been allotted to the Government Women's Degree College. The land was occupied and was housing the Office of the Executive Engineer, I&B, which has been shifted in order to provide land to the Government Women's Degree College. The petitioner wants that this land should be allotted to the bus stand. This land was already in the occupation of the Executive Engineer, I&B and has now been vacated only in order to provide space to the Government Women's Degree College. In any case, this is a matter, which has to be considered by the Executive authorities and they have considered it and they would have felt necessity of allotting the land to the Government Women's Degree College. We do not think, in these circumstances, this Court should interfere with the matter. The writ petition is misconceived and it appears to have been filed by the bus operators. Although, the petitioner claims that he is the President of the Public Grievances Social Organisation, but in the counter-affidavit, it has been stated that this Organisation was only formed on 12-01-2005 and its President has been the President of a Committee known as Old Bus Stand Sadhana Committee. In these circumstances, the writ petition is dismissed. No order

as to costs.
